

White Piranha LED Module

Chip Brand: Epistar

Application: emitting letter, brand, sign, advertising box lighting.

Characteristic: super flux, wide view angle, low luminous fading.

Part No.: 12PU05-P3CW

Power: 0.4W/module; LEDqty: 5pcs ;

DC=12V; Waterproof Rank:IP68;

Working temperature:-20-60 °C ;

Luminous intensity: 2500-3000mcd;

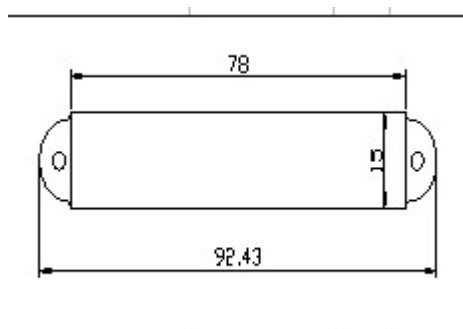

Color temperature: pure white 6000K-6500K

Packing (neutral): 20pcs modules per cluster,

10 clusters per bag

Weight: 100pcs modules per kilogram.

Dimension as below:

Unit—millimeter
